REQUEST FOR REVIEW

Pursuant to Sections 54.719(c) and 54.721 of the Federal Communications Commission ("Commission" or "FCC") rules, 47 C.F.R. §§ 54.719(c) and 54.721 (2003), Colegio Reina de los Angeles ("Reina de los Angeles") hereby appeals the decision of the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company to reduce the requested discount in Funding Year 2004 (07/01/2004 – 06/30/2005) from 80% to 20%.

I. BACKGROUND

On February 4, 2004, Reina de los Angeles filed an FCC Form 471 with the SLD listing the services for which it was requesting discounts under the schools and libraries universal service support mechanism (the "E-rate program").¹ On August 11, 2004, Reina de los Angeles received from the SLD the E-rate Selective Review Information Request for funding year 2004². By October 15, 2004, Reina de los Angeles submitted by fax to the SLD's reviewer the answers

concerning the Selective Review.³ On November 04, 2004, Reina de los Angeles was inquired to provide a socio economical study as per an SLD's PIA reviewer.⁴ Specifically, the information request, which was delivered, to Reina de los Angeles requested the following information:

1. The total number of enrolled.
2. Total number of surveys/applications sent out
3. Number of survey/application returned
4. Total number of students that qualifies for the National School Lunch Program, using the Income Eligibility Guidelines (IEG) of the NSLP, per returned surveys/applications
5. Are the surveys/applications and results kept on file.
6. Provide a sample copy of the FILLED OUT SURVEY/APPLICATION with the child's personal information crossed out for confidentiality.
7. A signed certification that reads: "I certify that only those students who meet the Income Eligibility of the National School Lunch Program have been included in Column 5 of item 10b, Block 4 (Worksheet A) of the Form 471."
8. The information must be in writing on the school letterhead and signed by a school official (such as the Principal, Vice – Principal Superintendent, Director of Food Services.

In its response, Reina de los Angeles indicated that there were 185 students enrolled, that 185 surveys/applications were sent out and that 185 surveys/applications were returned. It also indicates from those survey/applications returned, 121 students qualifies for the NSLP, that the surveys/applications and its results are kept on file and certified, that only the students who meet the IEG of the NSLP had being included in Column 5 item 10b of block 4 (worksheet A) of the Form 471. Reina de los Angeles also provided a sample copy of the socio-economic survey. On

the socio economical study provided, Reina de los Angeles provided evidence that qualifies the school for an 80% of discount.⁵

On February 10, 2005 the PIA requested additional information regarding the Selective Review,⁶ specifically on the school's budget and Reina de los Angeles complied immediately on February 24, 2005^{7 / 8}

On March 24, 2005, Reina de los Angeles received a Funding Commitment Decision Letter stating as the decision and explanation to reduce the requested discount the following statement: *FRN approved; modified by SLD. The site-specific discount was corrected.*

II. REINA DE LOS ANGELES SUSTAINED ITS ELIGIBILITY FOR THE SERVICES AND PERCENTAGE DISCOUNT BEING REQUESTED.

The SLD states the FCDL that "*FRN approved; modified by SLD. The site-specific discount was corrected*". Reina de los Angeles provided all the information and documentation the PIA requested during the Application No. 414847 selective review. Such information and documentation was sufficient to validate Reina de los Angeles eligibility for the services solicited and the percentage discount requested.

⁵ See letter dated November 10, 2004 (Exhibit E)

⁶ See fax addressed to Madeline Melgen from Bob Leipow, PIA Reviewer, dated February 10, 2005 (Exhibit F).

⁷ See fax addressed to Bob Leipow from Mariglorie Zapata, dated February 24, 2005. (Exhibit G)

⁸ An extension of time was requested to the PIA.

**III. THE SLD ERRED IN FAILING TO FOLLOW FCC PRECEDENT THAT
REQUIRES THE SLD TO CONTACT REINA DE LOS ANGELES TO
REQUEST DOCUMENTATION TO SUPPORT THE REQUESTED
DISCOUNT**

In answering the PIA selective review questions, Reina de los Angeles provided the PIA reviewer the information and/or documentation requested. Such information/documentation demonstrated the eligibility for the requested discount. In the event the SLD, when evaluates the documentation provided by the applicants, any doubt or issue arise should ask for additional information and/or documentation to clarify such doubt or concern. In this case the SLD did not requested Reina de los Angeles additional information, thus the SLD denied the applicant the opportunity to provide documentation to support statement in their review.

Consistent with the information posted at

<http://www.sl.universalservice.org/reference/AppealsSLDGuidelines.asp>, item 3 clearly states that: "When the appeal provides documentation to correct an incorrect SLD assumption made because there was insufficient information in the application file about an issue. In general, PIA will contact the applicant and ask for all information necessary to make decisions about an application. If that contact does not occur, however, and funding is denied based on an incorrect assumption, the SLD will grant an appeal when the appellant points out the incorrect assumption and provides documentation about the issue that is consistent with information originally provided but also successfully resolves the ambiguity in the original file".

IV. THE SLD ERRONEOUSLY CONCLUDED THAT REINA DE LOS ANGELES FAILED ON PROVIDING SUFFICIENT DOCUMENTATION TO DETERMINE ELIGIBILITY.

Reina de los Angeles, in a timely manner, submitted to the SLD the information and documentation requested. Such information the school understood was enough to support the funding request for an 80% discount.

The SLD erred on denying the 80% discount to Reina de los Angeles without asking for any additional information and or documentation to clarify any doubts or inconsistency.

V. CONCLUSION

Reina de los Angeles for the reasons mentioned above states that, the SLD erred in their decision and we respectfully request the Commission to reverse the SLD's decision of reducing the discount percentage requested and grant its application to be funded at an 80% discount.

Respectfully submitted,

COLEGIO REINA DE LOS ANGELES

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Universal Service Support Mechanism. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. The SLD may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by the SLD, the applicant, or the service provider. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

A GUIDE TO THE FUNDING COMMITMENT REPORT

A report for each E-rate funding request from your application is attached to this letter. We are providing the following definitions for the items in that report.

FORM 471 APPLICATION NUMBER: The unique identifier assigned to a Form 471 application by the SLD.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471 once an application has been processed. This number is used to report to applicants and service providers the status of individual funding requests submitted on a Form 471.

FUNDING STATUS: Each FRN will have one of the following definitions:

1. An FRN that is "Funded" is approved at the level that the SLD determined is appropriate for this FRN. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
2. An FRN that is "Not Funded" is one for which no funds were committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision Explanation." An FRN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funding available for this Funding Year was insufficient to fund all requests.
3. An FRN that is "As Yet Unfunded" reflects a temporary status that is assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for requests for Internal Connections at a particular discount level. For example, if your application included requests for discounts on both Telecommunications Services and Internal Connections, you might receive a letter with funding commitments for your Telecommunications Services funding requests and a message that your Internal Connection requests are "As Yet Unfunded." You would receive one or more subsequent letters regarding the funding decision on your Internal Connections requests.

SERVICES ORDERED: The type of service ordered from the service provider, as shown on your Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on your Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on your Form 471.

SERVICE START DATE: The date services were reported to start for this FRN on your Form 471.

CONTRACT EXPIRATION DATE: The date the contract expires. This will be present only if a contract expiration date was provided on your Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a. This will be present only for "site specific" FRNs.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE RECURRING CHARGES: Eligible monthly pre-discount amount approved for recurring charges multiplied by number of months of recurring service approved for the funding year.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE NON-RECURRING CHARGES: Annual eligible non-recurring charges approved for the funding year.

PRE-DISCOUNT AMOUNT: Amount in Form 471, Block 5, Item 23I, as determined through the application review process.

DISCOUNT PERCENTAGE APPROVED BY THE SLD: The discount rate that the SLD has approved for this service.

FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD has reserved to reimburse your service provider for the approved discounts for this service for this funding year. It is important that you and your service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts only for eligible, approved services actually rendered.

FUNDING COMMITMENT DECISION EXPLANATION: This entry provides an explanation of the amount in the "Funding Commitment Decision."

Dear E-Rate Applicant:

In order to ensure that applicants are following certain FCC rules relating to certification statements and competitive bidding processes, you have been selected for a two-part review (Selective Review). We are seeking information about (1) your competitive bidding and vendor selection processes, and (2) information to support the certification you made on FCC Form 471, Item 25, that you have secured access to all of the necessary resources to make effective use of the requested products and services.

Both parts of the Selective Review take place at the billed entity level. An entity is considered a "billed entity" if it is responsible for making payments directly to a service provider. An entity that receives a bill, but does not make payments to the service provider on that bill, is not a billed entity. We will be requesting, and looking at information for ALL Form(s) 471 filed for the 2004-2005 funding year (Funding Year 2004) that were filed by the billed entity listed on the cover page of this document. Please notify us if you have additional Form(s) 471 for your billed entity number that we have not listed. The review will include those as well. It is important that you identify these additional applications at this time. Failure to do so may delay or jeopardize funding commitments and/or post-commitment disbursements. In addition, it may also result in future adjustments to any commitments that you may receive from us, or other action.

Part I: Information Regarding the Competitive Bidding Process and Vendor Selection

For each of the following items we have outlined the requested documentation you will need to supply. Please provide the information by funding request number (FRN) unless otherwise indicated. In the event that a document (e.g., contract, RFP, bid response, etc.) applies to multiple FRNs, simply indicate which FRNs the document supports on the first page of the document. If for any reason you do not have any of the documentation requested below, you **MUST** explain why.

Special Note Regarding State Master Contracts (SMC):

Remember that the filer of the Form 470 – whether state or applicant – must comply with all FCC requirements and local and state procurement laws, and that applicants must follow the applicable provisions of the State Master Contract and local and state procurement laws.

If you are procuring goods or services off a State Master Contract, and the state filed a Form 470 that lead to the award of that State Master Contract, you do not need to provide the competitive bidding and vendor selection documentation. If this is the case for some or all of your FRNs, please indicate such on your response. If, however, you filed one or more Forms 470 and then used the State Master Contract as a bid response, you must provide full documentation about your competitive bidding process and vendor selection.

Finally, note that the State Master Contract in all of the following cases fulfills the FCC signed contract requirement, and it is not necessary for you to submit a copy of the State Master Contract with your response.

1) Requests for Proposal (RFP)

- a) Copies of any and all requests for proposals (RFPs), invitation to bid, request for bids, or other documentation of bid requests for services and/or products requested, or other solicitations in any way associated with the applicant's funding request(s) and/or the selection of the service provider(s) that appear(s) on the applicant's funding request(s). Be sure to include any and all amendments made to the original RFP.
- b) You do not need to provide copies of FCC Form(s) 470 that were posted to the SLD website.
- c) If RFPs, etc., are not provided, please explain why you have not provided them.

2) Bid Responses

- a) Complete copies of any and all proposals, bid responses, etc., received in response to the Form 470, and/or any RFP, or other solicitation in any way associated with the applicant's funding request and/or with the selection of the service provider that appears on the applicant's funding requests. Again, this information should be provided for all funding requests including tariff, month-to-month and contracted services.

3) Vendor Selection Process

- a) How many bids were received for each FRN Telecommunications, Internet Access and Internal Connections)?
- b) Complete documentation indicating how and why you selected your service provider(s). This documentation should include:
 - i) a description of your evaluation process,
 - ii) the factors you used to determine the winning bid, and
 - iii) attendance sheets for any meetings regarding the Form 470 and/or RFP or other solicitation vehicles.
- c) If more than one factor was used in the evaluation process to determine the winning bid(s) please indicate how those factors were weighted (points or percentage) in the evaluation process.

4) Contracts and/or other agreements

- a) Signed and dated copies of any and all agreements related to each of the Form 471 funding request(s), including any and all contracts, agreements, Statements of Work, etc., and any and all agreements between the applicant and the service provider related in any way to the applicant's funding request and/or provision of E-rate related services.
- b) If the price on the contract is different from the pre-discount price on your Form(s) 471, please explain the difference and account for the difference. (For example, if the dollar amount on the contract is higher than the dollar amount on your Form(s) 471, indicate which services have been removed, if that is the case. If the dollar amount on the contract is lower than the dollar amount on your Form(s) 471, explain why).
- c) If the contract referenced on a particular funding request is a state master contract, please indicate that. There is no need to provide us with the state master contract.
- d) If contracts, etc., are not provided, please explain why you have not provided them.

5) Consulting Agreements

- a) Please provide a complete copy of any consulting agreement(s) relating to the planning, implementation, and support of your E-rate funding request(s). If consulting agreement(s) were not used please indicate as such.

6) Correspondence (Email, phone logs, etc.)

- a) Please provide a copy of all correspondence between your entity and any service providers or consultants regarding the competitive bidding process and the application process.

If there is any other documentation that would be helpful to us in our review to ensure that you complied with the Commission's rules requiring a fair and open competitive bidding process, please provide that as well.

Part II: Information Regarding Your Item 25 Certification

Overview

To ensure that E-Rate funds are allocated appropriately, and in accordance with FCC Orders, each applicant is required to certify in Item 25 of the Form(s) 471 that: "The school(s) or library(ies) I represent have secured access to all the resources, including computers, training, software, maintenance, and electrical connections necessary to make effective use of the services purchased as well as to pay the discounted charges for eligible services." The Item 25 Certification review also looks at the applicant's ability to pay for its share of E-rate funding. In the course of the Item 25 Certification review we will ask for:

- documentation of your ability to pay for your share of E-Rate discounts and estimates of non-E-Rate eligible resources that you might use to meet this certification.
- your estimates of hardware, software, professional development, retrofitting, and maintenance investments that might not be E-Rate eligible, but are necessary to make effective use of the E-Rate discounts you have requested.
- a copy of the technology plan that supports your Funding Year 2004 (July 1, 2004 through June 30, 2005) funding requests.
- an estimate of the technology level of all schools or libraries within your organization following E-Rate.

If you identified additional application(s) not listed on the cover page of this document, you will also need to make an adjustment to the amounts we listed in the *Item 25 Worksheet Summary* Sections I-A and I-B. Please make the adjustment on the worksheet, initial it, and explain the adjustment when you return that worksheet.

Instructions for Completing the Item 25 Worksheet Summary: Fax Back Page 1

The *Item 25 Worksheet Summary: Fax Back Page 1* can be found on page 13 of this document. These instructions go with pages 12, 13, and 14 of this document. They are meant to help you complete and return those pages, and the necessary documentation noted below.

Special note to Consortium applicants: You have an option to provide us with the information requested below for the overall Consortium, or on a disaggregated basis with information pertaining to each individual entity listed on the Form(s) 471 Block 4 Worksheet C.

We understand that some consortia applicants do not collect the information requested in Sections I-VI below on a consortium basis. Therefore, you have the option of providing us with the requested information on a disaggregated basis. To do so, please make one copy of the *Item 25 Worksheet Summary: Fax Back Page 1* for each Block 4, Worksheet C entity (usually a school or library district). Be sure to complete the section at the very bottom of that page that identifies the entity. Note that in order to use this disaggregate method, you will also need to take the dollars that we have entered in to Section I-B and apportion them appropriately to each Block 4, Worksheet C entity.

Please also note that the FCC held in *Central Minnesota Computing Center (DA 01-776)* that consortium applicants must be able to provide information supporting the Item 25 certification for all of the members of their consortium, even if the resources are not under the direct control, or the responsibility, of the consortium leader.

Please contact the Selective Review team if you need further assistance in responding to this request on a disaggregated basis.

Section I: Connectivity

Subsection I-A. Commitment Amount Requested

We have looked at the Form(s) 471 that you filed for Funding Year 2004. We combined the commitment amounts that you requested on those Form(s) 471, by service category (the amount(s) from Form(s) 471, Block 5, Item 23k). We placed those sums next to the respective service category(ies) in Section IA, lines 1, 2, and 3 on the *Item 25 Worksheet Summary: Fax Back Page 1*. Please verify that these are the correct sums of the funding request amounts.

If your Funding Year 2004 Form(s) 471 contain duplication to account for Funding Year 2003 funding uncertainties and you do not see that duplication accounted for (i.e., the duplication removed) in the numbers in Sections I-A and I-B, please note that and provide an explanation.

As noted above, this part of the review is based on your ability to pay the non-discounted portion of the funding that you requested on your Form(s) 471. Therefore, unless and until certain FRNs are determined to be non-fundable (e.g., the funding cap prevents funding certain requests), we are asking to see that you have budgeted for all the requests that you listed on all Funding Year 2004 Form(s) 471 that you filed for your billed entity.

Also note that if you have identified Form(s) 471, in addition to those listed on the cover page of this document, please (1) make the necessary adjustments to Subsections I-A and I-B to accurately reflect all Form(s) 471 filed by your billed entity, (2) initial it, and (3) explain the adjustment when you return the worksheet.

Subsection I-B. Form 471 Applicant's Share

In Section I-B of the *Item 25 Worksheet* you are being asked to document the funds you have available to pay for the discounted charges on eligible services. These are funds for paying your share of telecommunications services, Internet access, or internal connections costs after the discount has been applied. The FCC intentionally requires applicants to pay for a portion of their services in order to encourage cost-effective practices. For further information on your obligation to pay this amount, please see "Obligation to Pay Non-Discount Portion" in the Reference Section of the SLD website at www.sl.universalservice.org. Remember that the funds to pay for your share of the E-rate cannot come directly or indirectly from your service provider.

We combined the "applicant share" of the amounts that you requested on Funding Year 2004 Form(s) 471, by service category. The applicant share is also known as the "non-discounted amount," that is, the amount that FCC rules require the applicant to pay. We placed those sums next to the respective service category(ies) in Section I-B line numbers 5, 6, and 7 on the *Item 25 Worksheet Summary: Fax Back Page 1*. Please verify that these are the correct sums of your share of the charges.

For Section I-B of the worksheet, please include the relevant pages of your approved 2004-2005 operating or facilities budget; that is to say, the pages that document your ability to pay your share of the purchased products/services, and the pages that document your revenue. This should include not only the budget line items that you will be referencing, but also a high level summary of your overall operating budget (e.g. total revenues and total expenses). To allow us to conduct our review, please be sure ALL of the following are included on the budget that you fax and/or send to us:

- The name of the entity to which the budget applies (Is it for a school? For a district? For one library outlet? For a library district? For a municipality?)
- The time frame that the budget covers, including a starting date and ending date (e.g., July 1, 2004-June 30, 2005)
- Both revenue and expense line items
- Place an arrow next to each fund/budget line, on BOTH the revenue and expense side of your budget, showing where you have allocated the necessary dollars for your share of E-rate. Please write the specific amount that will come from each fund/budget line. For example, if budget line A0002 contains \$200,000 and \$100,000 will be used to pay your share of E-rate, then please draw an arrow to it and write "E-rate, \$100,000".

Please explain any discrepancies between the Form 471 Applicant Share (Section I-B of the *Item 25 Worksheet Summary: Fax Back Page 1*) and the dollars you identified on the budget that you provide. Failure to do so could delay or jeopardize the processing of your funding.

Also in this section, please provide an explanation of how any budget deficits, state-funding cuts, fund-raising effort shortfalls or other uncertainties will be addressed. Particularly we are looking for assurances that such cuts or shortcomings will NOT result in cutting the financial resources that are budgeted for your applicant share. If they will, we seek assurances, which we may later verify, that an FCC Form 500 would be filed to reduce the funding requests accordingly.

Note: If you provide a final approved budget, we may verify that budget with independent sources.

Alternatives to an approved budget:

If a final, approved budget is not available or is still in the approval process, we will accept certain alternative documentation as delineated below. A letter signed by a school or library official (e.g., superintendent, board president, chief business officer) must accompany the document(s).

The letter should explain (1) what phase of the approval process you are in, (2) whether your share of funding is contingent on any outside action (e.g., voter approval, board approval, state legislation, etc.) and (3) whether in the absence of such outside approval, you anticipate being able to meet your share. Please make sure that the letter identifies the specific amount that you will have available to pay your share. For example, if you have \$100,000 allocated in your budget, make sure that is noted in the letter.

In addition to the letter, we require one of the following items:

- A draft budget for 2004-2005 to include ALL of the following:
 - The name of the entity to which the budget applies (Is it for a school? For a district? For one library outlet? For a library district? For a municipality?)
 - The time frame that the budget covers, including a starting date and ending date (e.g., July 1, 2004-June 30, 2005)
 - Both revenues and expense line items.
 - Place an arrow next to each fund/budget line, on BOTH the revenue and expense side, showing where you have allocated the necessary dollars for your share of E-rate. Please write the specific amount that will come from each fund/budget line. For example, if budget line A0002 contains \$200,000 and \$100,000 will be used to pay your share of E-rate, then please draw an arrow to it and write "E-rate, \$100,000".
- A resolution of a governing Board authorizing the filing of the Form(s) 471 for a given dollar amount, for given services and/or products, and within a given timeframe. For us to consider such a resolution sufficient evidence that your entity has provided for payment of your share of E-rate, the resolution should specify the funding year, the fiscal year, or the school year during which the payment is authorized.
- A signed commitment letter to the applicant from the donor (e.g. school or library foundation), if donations (or other dollars from any contributor) are a source of funding. The letter MUST specify (1) the level and commitment of funds or other resources; (2) the timing of the delivery of such resources, along with a dispositive indication that the resources are for E-rate supported products/services or for items needed to effectively use the discounted services. (The indication as to the use of the resources might come from the donor or be reflected in a Board resolution committing donations to E-rate related purposes.) While your service provider may assist you in locating bona-fide grants, the grants or outside funding organizations must be independent of the service provider.

Subsection I-C. Amounts not covered by E-rate

In Section I-C of the *Item 25 Worksheet* you are asked to indicate the total amount of money that you will pay during Funding Year 2004 for E-Rate eligible products/services for which you are NOT requesting E-Rate funding.
